

Vaccines for Children (VFC) Provider Update 2003

An informative videoconference session on immunization
Jointly sponsored by the Hawaii Immunization Program and the HCCME
Jointly sponsored by the Hawaii Immunization Program and the AFSCME

DATE: Wednesday, January 22 or Thursday, January 23, 2003
TIME: 1:30 p.m. - 3:00 p.m.
LOCATIONS: Select a site from the list below.

This live interactive videoconference session will provide practical information on vaccine management, vaccine accountability, immunization record documentation, and appropriate use of VFC vaccine.

Goal

To provide information to VFC providers on recommendations regarding vaccine indications, vaccine administration documentation requirements, vaccine adverse event reporting, and VFC program requirements for eligibility, vaccine ordering and accountability.

Objectives

After course completion, participants will be able to:

- State at least one significant vaccine management finding noted during VFC provider site visits.
- Describe two new Advisory Committee on Immunization Practices (ACIP) recommendations on vaccine administration.
- Explain the procedure for filing a report with the Vaccine Adverse Event Reporting System (VAERS).
- Appropriately document administration of vaccine in accordance with National Childhood Vaccine Injury Act (NCVIA) requirements.
- Calculate quarterly VFC vaccine order appropriately.

Target Audience
